Mr. J. B. Wilcox has shut down his phosphate plant for needed repairs. He will also increase the capacity of his works.

Our county fathers should keep the roads clear of trees. There are three across the Martin road half mile west of Knoblock's school house and should be cut out.

Would like to have some of the learned physicians of the state explain the meaning of the "Cut in the meat" published in the Banner of April 23, 1901, concerning the dispensing of medicine. First place, suppose, that a woman had a sick child in the house and she happens to have the right kind of medicine that would cure the child, and thereby save the child's life, or has she got to go to a physician, perhaps three or four miles away and then perhaps not find him at home and in the meantime the child dies. Why the new law is going to do murder upon murder throughout the state and the results will lay at the physicians' door.

She Didn't Wear a Mask.

But her beauty was completely hidden by sores, blotches and pimples till she used Bucklen's Arnica Salve. Then they vanished, as will all eruptions, fever sores, boils, ulcers, carbuncles and fclous from its use. Infalible for cuts, corns, tumors, scalds and piles. Cure guaranteed. At Garrett and Gerig's 25c.

A SUFFERING WIFE

Saved by the Suggestion of a Thoughtful Husband.

A man can rarely enter into a woman's sufferings when they are caused by diseases peculiarly feminine. Even when the character of the suffering is graphically described the man cannot appreciate the force of terms for which he has no equivalent in his experience. All he can do is to sympathize and suggest.

But when a woman hears the story of a woman's suffering every word has its just weight with her. Even more, she

reads between the lines of the story and understands the unspeakable anguish and dread begotten of extreme nervousness and weakness. No woman can read the sorrowful story of suffering told below by Mrs. McAdoo, without heartfelt sympathy with her condition and heartfelt gratitude for her cure.

"It is with pleasure that I add my testimony to that of others, hoping it may induce others to avail themselves of the benefit of your invaluable medicines," writes Mrs. R. G. McAdoo, of Whiting, Mississippi County, Missouri. "Nearly a year ago I was taken down with a severe case of sickness. I suffered untold pains and misery such as no one can describe. Was confined to my bed most of the time. I could turn no way without it giving me pain. I was afflicted with falling of the uterus and ulceration. Had a bad drain all the time, and dragging-down pains through my back and hips; no appetite; bowels were constipated; smarting, itching and burning in the vagina all the time. My head and temples, back of my neck, shoulders and sides pained severely. Had kidney trouble, too. I ached all over; had cold feet and hands all the time. I suffered a great deal with pains in both sides, and much tenderness on pressing over the uterus. I was bloated terribly at times in bowels and limbs. I could not sleep; noise it seemed would kill me. I could not get on my feet alone. I cannot describe the constant pain to which I was subject every moment of my life. Was so reduced in flesh and strength that I could scarcely walk across the floor any of the time. I was treated by good doctors, but they just gave me something to ease me for a little while at a time. They said they could not cure me or do anything that would greatly benefit me. My husband suggested one day that I try some of Dr. Pierce's Favorite Prescription. I asked him to get me a bottle of it. He gave me a tablespoonful, and it soon eased me. He then wrote to Dr. Pierce in regard to my case. We have one of the 'Common Sense Medical Advisers.' Dr. Pierce told my husband

for me to take his 'Favorite Prescription' and 'Pleasant Pellets,' and also his 'Golden Medical Discovery' and 'Extract of Smart-Weed,' according to directions. I did so, and began to improve fast. If anyone doubts this give name and address. I will always recommend Dr. Pierce's medicines and his advice to all sufferers from diseases to which females are subject. He has been as kind as a father to me; advised me as a child. I believe if my husband had not written to Dr. Pierce last fall and commenced giving me his medicine, I would have died in a short time."

HUSBAND WISER THAN DOCTORS.

When the doctors pronounced his wife's case incurable, it was the husband who suggested the trial of Dr. Pierce's Favorite Prescription. It was the prompt benefit derived from the use of "Favorite Prescription" that induced the husband to consult Dr. Pierce by letter on his wife's behalf. The result was a complete cure. This result commonly follows a fair and faithful trial of Dr. Pierce's Favorite Prescription. It was made to cure women's ailments and it does what it was made to do. It has cured hundreds of thousands of weak and sick women and cured them perfectly and permanently. A great number of these cures have been effected after doctors had pronounced the sufferer incurable and condemned her to a martyrdom of misery for the term of her natural life.

"Favorite Prescription" establishes regularity, dries the drains which weaken women, heals inflammation and ulceration and cures female weakness. It cures nervousness, headache, backache and other ills which have their cause in womanly diseases.

"I write to let you know the great benefit I have received from the use of your medicines," says Mrs. Sidney B. Oakes, of Whitwell, Pennsylvania Co., Va. "I am so grateful to you for your advice. When I commenced your medicines I had been treated by different doctors for three months or more, but would only receive partial relief for a short while and then would be worse than before their treatment. Was confined to my bed most of the time. At the time I commenced your treatment my left side was completely paralyzed. Had no appetite, no desire to eat anything; bowels constipated all the time. Nerves were all unstrung, so I could not bear the least noise. I also suffered from diseased ovaries and female weakness. But thanks to my Maker and you, after following your advice, I am able to do all my washing, sewing and house work in general. I haven't had a spasm in two months. Left off medicines about one month ago. Didn't think it necessary to continue them longer. I have taken Dr. Pierce's Favorite Prescription, 'Golden Medical Discovery,' and 'Pleasant Pellets.'"

Every sick woman especially if suffering from disease of long standing is invited to consult Dr. Pierce by letter free. Address Dr. R. V. Pierce, Buffalo, N. Y. Sometimes a dealer tempted by the little more profit paid by less meritorious medicines will endeavor to foist on his customer a substitute for "Favorite Prescription." There is nothing just as good for weak and sick women as Dr. Pierce's Favorite Prescription.

BIG AND GOOD.

"Little and good" is the common saying runs, but that things may be both big and good is proven by Dr. Pierce's Common Sense Medical Adviser. It is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps if the cloth-bound volume is desired or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.
